

Jerseys to 1650gns twice!

Kivells travelled to High Wycombe in Buckinghamshire to conduct the On-Farm Dispersal Sale of the "Beechdean" herd of 500 Pedigree Jerseys on behalf of Beechdean Farms Ltd. The sale attracted buyers from North & West Wales, Shropshire, Cheshire, Devon, Cornwall, Somerset and surrounding counties as well as three consignments going to Southern Ireland and two to Northern Ireland. Several volume buyers were forward and the Cows sold to a very solid trade throughout topping at 1650gns (£1732) twice for "Beechdean Link Zelda" a heifer by Danish VJ Link due her second in October and "Beechdean Timeless Yell" a much admired fourth calver by a hombred sire Beechdean Timeless due her fifth in November. Close behind at 1600gns (£1680) was "Beechdean Olympian Rochelle" a third calver Beechdean Olypian due her fourth in December. At 1550gns (£1627) was "Beechdean Dazzler Dorothy" a fresh heifer by Sunset Canyon Dazzler and "Beechdean Response Yeta" by Arethusia Verbatim Response sold due her second in December also at 1550gns (£1627). Spring Calving Cows met a much better trade than expected and saw February calving cows to 1500gns (£1575) for "Beechdean Olypian Olivera". There was over 100 cows which made 1000gns or more and in all the 241 In Milk Cows & Heifers including all cows with faults averaged £921. The youngstock were a more difficult trade and with such a large number on offer buyers were able to be selective. In Calf Heifers topped at 900gns and the Spring Calving Heifer found the strongest demand making between 850-950gns. Served Heifers to 620gns and Yearling Heifers to 500gns. Heifer Calves to 320gns.
