

**NOMINATED MEMBERS TO THE BOARD OF DIRECTORS FOR
THE JERSEY CATTLE SOCIETY OF THE UK**

138th ANNUAL GENERAL MEETING, 10th August 2021 at 11:00am

4 Vacancies for Director : 1 Member is standing for the position of Director

1 President Elect : 1 nomination for President Elect

MR ROBERT HUNTER (Clydevalley) - nominated for Director

For those who don't know me, I currently farm 300 acres near Shotts, Lanarkshire in Scotland.

My background has always been dairy, milking pedigree Friesians, Holsteins and Jerseys from an early age, however, since 2017 it is purely a pedigree Jersey Herd.

I have been involved with the Jersey Society since 1999 and have been lucky enough to enjoy successes in the show ring and have been given several opportunities to judge the breed throughout the UK. I am also currently chairman of the Scottish Dairy Cattle Association (SDCA) and sit on the board of AgriScot which gives me a greater insight into all current dairy affairs.

I have been a member of the JCS board in the past, and had to step down, mainly due to time constraints, but I feel now is the time to help continue the successful work of the current board in promoting the unique attributes of the Jersey cow and helping to establish a society that caters for all aspects of the Jersey.

Robert Hunter

MRS KATHLEEN LE BRUN - nominated for President Elect

I have been involved with agriculture in various forms since the mid-sixties, much longer than I care to remember! After the farm and Jerseys were sold in Dorset, my husband, Brian, went to work for the Jersey Cattle Society in the late seventies. I was pleased to be able to help at various Society events, conferences and Shows in the fifteen years that Brian was with the Society. During this time we were lucky enough to make lasting Jersey friendships both home and abroad.

As well as bringing up my three children I have worked for various firms, including an Agricultural Merchant and the Institute for Animal Health. Since becoming self-employed for the past 30 years I have worked principally as a Farm Secretary but also in the early days as a co-ordinator for an Agricultural Training Board Group plus milk recording NMR herds in the area. I am now semi-retired with just two farm clients, unfortunately neither have Jerseys or even livestock!

I have been able to keep my interest in Jerseys and Jersey Breeders, not only in the early days with Brian and the Society, but also with the Thames & Isis Jersey Cattle Club and for the past 10 years or so I have been Hon. Sec. for the Southern Jersey Cattle Club. Newbury Show has featured prominently in my life. I have been on the Cattle Committee for a number of years, have volunteered in the Society office and have also stewarded at the Show.

To say I was delighted to be asked to stand for the position of President-Elect of the Jersey Cattle Society would be an under-statement. If elected I would like to feel I could support your Board of Directors in any way I can, especially your President. I would hope to meet as many members as possible plus promoting the Jersey breed at every opportunity.

Kathy Le Brun
