

## Milk Production Competitions 2020 - 2021

All but one of the Society's milk production competitions are now conducted by automatic entry using the milk recording information held in the JCS UK Herd Book for our members.

### **Barnowl Trophy - Best Female Family**

The Barnowl Family Trophy is the only milk production competition that cannot be automated and requires an entry to be submitted to the Society. The Barnowl Family Trophy is for the Best Female Family.

If you would like to enter the below competition, please read further:

#### **Competition Rules for the Barnowl Trophy**

- Three females, classified, linked to a common dam within three generations, e.g.: grand-dam, dam, daughter, or 2 daughters and a granddaughter. Maximum of one ET per group.
- To be judged on total combined weight of butterfat and protein in the last completed lactations (305 days or less) in the relevant recording year.
- The last lactation of each entry must be completed in the most recent recording year i.e. **1 October 2020 - 30 September 2021**. Only herds who are officially recorded qualify (Self-recorded herds can only enter using ICAR approved milk recording system). All lactation certificates/annual summaries must be forwarded with your entries. Copies will suffice.
